The Association for Yoga Studies

2012 Membership Renewal

ABOUT aYs

The Association for Yoga Studies, aYs, is a community of teachers and students of all levels. Members share a common interest in the approach to Yoga known as “viniyoga.” The Association is democratically run with an elected Director and committee.

Ordinary Membership is open to all who have an interest in this tradition.

The aYs runs an Annual Convention for anyone interested in the viniyoga approach, with a reduced fee for aYs members. Convention provides the ideal opportunity to learn with expert and knowledgeable teachers and Guest Speakers and to meet others who are also interested in this approach.

aYs aims to provide you with support in your on-going study of viniyoga, through our website, providing information on events and courses and assisting you in finding a one-to-one teacher.

If you have any questions, please contact the Administrator or Director.
